

11 January 2019

Dear Parent/Carer

Firstly, I would like to wish you all a happy new year. I hope that you enjoyed the break over Christmas with your family and friends.

Please find attached to this letter a timetable for your child's examinations next week. I have met with all year 11s today and talked about strategies for helping them do well in the forthcoming examinations.

Please encourage them to revise, read, spend time on Hegarty Maths and Seneca Learning (both of these are online – all students know their login details) as doing so will give them the best possible chance of succeeding in their exams.

In addition, please ensure that your child attends all enrichments (2.30pm-3.30pm each week) as this is valuable time for them to gain more knowledge and understanding for their subjects. We know from previous years that students who commit to attending enrichments for their GCSE subjects achieve higher grades overall.

Finally, please check that your child is completing any homework set as again this also contributes to higher grades overall.

Many thanks for your continued support.

Yours faithfully

Mark Hassack
Executive Principal

Y11 Mock Timetable
Outwood Academy Acklam
Jan-19

Date	MasterClass in Subject	Class Room	Mock Exam	Exam Start	Length
