

Dear Parents/Carers,

## **Re: Year 10 Mock Examinations**

As you are aware the Year 10 mock examinations will commence on Monday 4th March. All exams will take place in the morning. During the Y10 mock season the students are expected to attend a Masterclass session before the exam. This is an opportunity for students to complete some final revision, and receive key messages from subject teachers. Students should arrive at the Academy at 8am for a prompt start. All students will receive a free hot breakfast during these sessions to set them up for the best possible start

Please encourage your child to study and prepare for these examinations.

### Mock examination sessions

Monday 4th March - English

Tuesday 5th March - Maths

Wednesday 6th March - Science

Yours Faithfully,

**Mr G Birrell**

Vice Principal for Deep Experience
