

Dear Parent/Guardian,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 4 February 2022**.

Everything the NSPCC does protects children today and prevents about tomorrow

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that’s always there for children and young people whatever their problem or concern.

On average, a child contacts Childline every **25 seconds**

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, ‘can-do’ attitude towards it. We are having a fun day of maths activities:

- Tutor Time Quiz
- Tutor Number display competition
- Guess the mass of a cake/amount of sweets in a box – the winner gets to take it home!
- Number scavenger hunt

Safe fundraising

- We’ve set up a Just Giving Page
- If you would like to donate and help to reach our fundraising goal please visit our justgiving page on the webpage below or follow the QR code.

<https://www.justgiving.com/fundraising/outwood-academy-acklam>

- Please donate and share with friends so we can support the NSPCC.

It all adds up

We’re really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at Outwood Academy Acklam will make an enormous difference to children today and help the NSPCC be there for children tomorrow. Last year we raised over £100, let’s see if we can double or even triple that amount!

Thank you.

Yours faithfully

Mr P. Doyle
Second in Maths
