Dear Parent / Carer,

RE: Study Support and final GCSE Examinations

As we approach the end of the GCSE examination season your son/daughter will start to have less subjects to revise for, and will be able to tailor their revision to the subjects that are still to be examined.

In response to this we are moving into the next phase of our examination planning at Outwood Academy Acklam and are writing to you to let you know what this entails for the final two weeks of examinations. There will be greater opportunities for 'self study' at home.

Some students have already been accessing study leave. These students must still **only** come into the Academy for their exams.
